The authors wish to make the following corrections to this paper [1], regarding an error in Figure 6.

In the original article, there was a mistake in Figure 6 as published. The aforementioned figure does not display the correct modelled connectivity matrices. The corrected Figure 6 appears below. The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected. The manuscript will be updated, and the original will remain online on the article webpage with a reference to this correction.
