Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-021-23350-2>, published online 24 May 2021.

The original version of this Article contained an error in the caption of Figure 2, in which the total Ekman transport was incorrectly listed as -0.7 ± 0.01 Sv. The correct value is -1.5 ± 0.02 Sv. The corrected article also has an updated data product link in Reference 56. These have been corrected in both the PDF and HTML versions of the Article.
